Program includes trends and support on your secure Livongo account and mobile app but does not include a phone, tablet or smartwatch.

The Diabetes Management Program affiliation between Livongo and Highmark is structured to encourage members to have a greater hand in their health while still receiving the medical care and advice that can only be provided by their doctor. To ensure that there is no interruption in this benefit, it is important to continue to maintain regular office visits with your doctor. If you have any questions or concerns regarding this requirement, please contact Highmark customer support.

Livongo is now part of Teladoc Health, and we are in a brand transition phase. You may receive Livongo-branded and Teladoc Health-branded products during this transition. Other than brand name, there is no difference between products.
