

You're covered

**for Coronavirus testing and
in-network inpatient hospital care.**

Right now, overwhelmed probably feels like an understatement. There's enough to worry about without also thinking about care costs, and Highmark is here to help. Our number-one priority is your health and making sure you receive the care you need.

We are covering the costs of care and prescriptions for members who are hospitalized for Coronavirus*. This includes testing when recommended by a medical professional and in-network hospital care.

While this coverage applies to all Highmark members, every plan is a little different. If you have questions on coverage, costs, or anything else, call Member Service at the number on the back of your ID card.

**Stay home, stay safe, and remember
that we're here to support you.**

*Cost coverage waiver ends on May 31, 2020
