

Get more than just medication with Giant Eagle Specialty Pharmacy

Living with a chronic condition can be overwhelming. That's why Highmark has given members access to Giant Eagle Specialty Pharmacy — a quick and convenient option that allows you to fill your specialty and non-specialty medications at over 200 Giant Eagle pharmacy locations.

What you get when you use Giant Eagle Specialty Pharmacy

On average, it takes Giant Eagle Specialty Pharmacy eight hours to prepare your specialty medication. It usually takes 5-7 business days to receive mail-order delivery from another specialty pharmacy provider. Talk about a time-saver.

You're also getting:*

Reduced out-of-pocket expenses by 91%.**

A call center that answers 97% of phone calls in under 30 seconds.

Patient and provider satisfaction scores of 99% and 94%.

Even better, Giant Eagle Specialty Pharmacy helps simplify the prescription process by providing education, counseling, and therapy management tailored to you. You'll also have access to services like:

- **A dedicated pharmacy team** that will reach out to you regularly throughout your treatment, including nursing staff, dietitian support, and refill reminders.

- **Financial assistance** for eligible prescriptions to reduce your out-of-pocket expenses.
- **Condition-specific educational materials**, injection training, and over-the-counter preparations to help you manage potential side effects.
- **An insurance benefit analysis** and help with the prior authorization process, including all the necessary paperwork.

Just so you know

Home delivery is available to members who are unable to travel to a Giant Eagle pharmacy. You should coordinate with your preferred Giant Eagle location before ordering your prescription.
