

Your Dental Plan Includes Smile for Health®-Wellness

Improved benefits for people with certain chronic medical conditions and gum disease

If you have been diagnosed with one of the following chronic medical conditions, you are eligible for improved dental benefits through Smile for Health®-Wellness.

- Cerebral Vascular Disease (including Stroke)
- Cardiovascular (Heart) Disease
- Diabetes
- Lupus
- Oral Cancer
- Organ Transplant
- Rheumatoid Arthritis

Research continues to uncover connections between certain chronic medical conditions and periodontal (gum) disease. By receiving the proper gum disease care at the dentist, you may experience improvements in your overall health.

With Smile for Health®-Wellness, eligible members receive full coverage for necessary periodontal services, including surgical procedures, to remove the financial obstacles to total oral care.

Improved Benefits

Additional Service (per plan year)	Covered Amount
Periodontal (gum disease) maintenance – One additional procedure above your plan’s standard limit	100%*
Scaling & Root Planing	
Periodontal Surgery—four procedures**	

*Standard frequency limitations apply

**Four procedures related to gingival flap or osseous surgeries.

How to Register

You and any eligible dependents can register to use Smile for Health®-Wellness any time after your insurance plan’s effective date. Here’s how:

- Visit **UnitedConcordia.com/GetMDB** from your desktop or mobile device
- Sign into **My Dental Benefits** (or create an account)
- Click the **Wellness** tab at the top menu
- Click the **+Add a new condition** and complete the fields as prompted
- Your condition status will show as **ACTIVE** to confirm your activation

Once registered, talk to your dentist about what (if any) additional services you may need to keep your mouth as healthy as possible.

The Plan complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
