

UNITED CONCORDIA

Insuring America's Dental Health

Good News About Your Dental Benefits!

At United Concordia, we're committed to more than healthy smiles! That's why we're pleased to announce that your plan benefits now include the **Smile for Health**[®] Maternity Dental Benefit.

The **Smile for Health**[®] Maternity Dental Benefit provides pregnant women an additional dental cleaning during pregnancy. This extra cleaning can help prevent periodontal (gum) disease, which has been linked to premature and low-birthweight babies, as well as help control *pregnancy gingivitis*.

Pregnancy Gingivitis Defined—Pregnancy gingivitis is often experienced by pregnant women when changes in hormone levels exaggerate the gums' reactions to oral bacteria. This can result in tender, swollen and sensitive gums.

If you have questions on the Maternity Dental Benefit, please call Dental Customer Service at 1-800-332-0366.

(Coinsurances apply. Services received from non-network dentists are subject to balance-billing.)
